The **CT800** console is easy to use and full of easy-to-read motivational information. A quick touch of the fan button and your clients will be cooled by two turbo-powered fans. Touch the upper display button to view the workout in three different profiles on the large LED Matrix; Track, Speed, or Incline.

There are 10 different programs to keep the user motivated, from Heart Rate to Interval to a 5K Run. The Fit Test program is based on the Gerkin Protocol, or the user can simply push "Start" and begin their workout. Dual water bottle/cargo holders offer plenty of storage for cell phone and room keys.

All of the controls are positioned for easy touch of any program or speed button. The **CT800** will keep your clients working out longer to help them achieve their fitness goals.
